Sub: Monthly status of Pension cases report from PAOs of CBIC- reg.

On review of the status of Pension cases for the month of June, 2021 submitted by Field PAOs, it has been observed that Closing Balance of pending Pension cases continues to be increasing, which otherwise should have been decreasing gradually. This has been viewed seriously by the Pr.CCA.

2. It is therefore enjoined upon all the field Pay and Accounts Offices to ensure that pension cases received by them for authorization are expedited within a reasonable period of time. The shortcomings, if any observed, may be promptly referred back to the Head of Office or DDO. They should keep a watch on all such cases in close coordination with the Head of Office concerned so that Pension cases are disposed off at the earliest from their end

3. The Zonal Heads are requested to monitor this minutely.

This issues with the approval of Pr.CCA.
